### **KEYNOTE SPEAKER—Andy Thibodeau**

Andy is a professional speaker that has presented at over 2000 schools and conferences in 10 provinces and 38 states. While high school, colleges, and universities are his specialty, he has presented to groups of all ages. His adult programs tend to be with audiences that “help others” in roles such as teachers, administrators, church leaders, public health nurses, camp counselors and charity groups (YMCA, Rotary, Optimists, Easter Seals).

In his most requested talk, “Share Your Care”, he reminds leaders of all ages that “*If care is going to be contagious, it has to start with YOU*”. He challenges leaders to “put the dreams of others alongside their own, and they will accomplish their dreams quicker!” The program combines comedy, high energy, motivation and powerful true stories that will entertain and enlighten you.
